**On The Move**

CITY NEWSLETTER

COMMUNITY ACTION

February 2018

**You can now Recycle Weekly**

South Salt Lake residents are now recycling in greater numbers than ever. Many of you requested more opportunities to do so. We heard you and are excited to announce that we now have weekly recycling service on the same day as garbage pickup at homes enrolled in the city’s garbage program through ACE Disposal.

The best news is that the city can provide better service for the same price. We negotiated a new contract with ACE Disposal and the additional recycling service was built into our current costs.

We have also heard your interest in green waste bins and glass recycling. Unfortunately, those services are still not cost-effective to provide without an additional fee. We welcome your suggestions to make these services more convenient.

We would love to hear your thoughts on these services - just reach out.

**Investing in our City Starts with Investment in People**

On January 2, I was honored to be sworn in for my third term as Mayor of our City. My remarks at that ceremony are printed here, and I hope they inspire everyone to come together around a common cause – the people of our city.

“Thank you. I am truly honored and humbled to be given the opportunity to serve South Salt Lake for another term. I’m also thrilled to be here today with newly re-elected Council Member Sharla Beverly, who has been such a positive influence for our City and two new council members that I think will be great additions to the Council – Corey Thomas and Ray deWolfe. Congratulations to all of you.

I am excited to continue to work with the hard-working and dedicated South Salt Lake employees. These employees are passionate about our community and are our best assets.

I’ve always said that my job is to ensure that South Salt Lake is a great place to live and work -- now and for generations to come. Over the last few weeks, I’ve been reflecting about where our City has been and where we still need to go to ensure a safe, healthy and vibrant community.

I continue to believe that one of the most important things I can do as Mayor is to Invest in People. Whether it’s our children, our seniors, our working parents or our City employees… we need to ensure that they have the tools and resources to not only survive, but to thrive.

So over the next four years, as we make decisions about economic development, recreation, public safety and so on, I will be focused on those things that have the greatest positive impact in people’s lives. Here are a few of my goals:

I want to improve our Jobs and Economic Development Initiative – JEDI Council-- to connect our residents with great jobs. I want to build our Downtown to create a vibrant nightlife. I want to preserve our historic and cultural amenities like the Historic Scott School and the South Salt Lake Water Tower. I want to see progress on our Creative Industries Zone and improvements to the Jordan River Parkway. Lastly, I want to increase our Police presence by 20 percent to ensure that we can all feel safe in our neighborhoods, parks, trails and business districts.

There’s so much to do and I will need your help. I hope that you will get involved, come to City Council meetings, attend community events and call me with ideas and suggestions.

2018 is South Salt Lake’s 80th birthday and our Fire Department’s 75th birthday. I hope you’ll join me in giving our City and Fire Department the birthday gift they deserve – our love and support.”
Invest in your community, Get Involved!

Coffee with a Cop is part of a national initiative to create a place for community members and police officers to come together. There are no agendas or speeches; just the opportunity to ask questions, voice concerns, and the chance to get to know the officers in their local neighborhoods. The South Salt Lake Chamber supports the program to help businesses increase their involvement in the community’s safety. The event takes place on the first Wednesday of each month from 9-10 a.m. at Village Inn, 2929 S. State St. The next session is Wednesday, February 7.
Meet the Newly Sworn in City Council Members

Sharla Beverly
District 3

I’m excited to represent the residents of District 3 for another four years! I’ve lived in SSL for the past 16 years with my two sons. We’ve enjoyed the sense of community and felt strength in our diversity.

Professionally, this is my 21st year as an educator. Nineteen of those years were spent working with SSL students. One of the reasons I chose to become involved was to keep the momentum of Promise SSL moving forward to help more of our youth.

Please feel free to contact me with questions or concerns. I see my job as being an advocate for my neighbors, both sharing information and pushing for change when needed. That’s what true representation should be.

Ray deWolfe
At-Large

Hello fellow residents of South Salt Lake. I’m thrilled to be serving as your city council member! My partner Megan and I worked very hard to go door-to-door over the past year to hear your thoughts and concerns about our city. It’s exciting to live in a city with a lot of diversity, opportunities and growth.

I’m born and raised in the Salt Lake Valley. I’m 29 years old. I graduated from Hillcrest High and then attended Southern Utah University where I received my degree in Communications. I later received my MBA from Western Governors University. I work as a training manager for a local credit union.

My hobbies include playing soccer, keeping up with the news, watching Netflix, reading, snowboarding, camping and playing games with friends and family.

I’m looking forward to the next four years. Please never hesitate to contact me with any questions or concerns.

Corey Thomas
District 2

I am a pastry chef at a vegan & gluten free bakery by day. I am excited to be a part of such a great city council alongside all our wonderful council members. I love meeting new people and learning new things.

I want to help improve our city’s crosswalks, increase our streetlights, ensure our residents feel safe, bring services our community needs, and keep our city affordable to those living here or those who want to live here. I moved to SSL almost seven years ago because it was where I could afford to live at the time. I have stayed because I love this city. As I got to know my neighbors, city staff, business owners, Police Officers, Firefighters, and all those who work hard making this a place where I want to live. I want join in their hard work so our community can grow stronger and be proud of being a South Salt Lake Resident. I know I am.

Please contact me with questions or concerns.

A recording with updated information can be heard by calling 801-412-3668.

Keeping Pedestrians Safe

The number of people walking in South Salt Lake is on the rise. This is a positive trend welcomed by our Police Department. It is an indication that many people feel safe here, and it literally puts more “eyes on the street.” It reflects the number of new pedestrian-friendly new developments in the city, as well as our continued effort to build trails, improve sidewalks, and promote walking for health.

However, more pedestrian traffic means more chances for pedestrian-vehicle accidents. Motor vehicle traffic crash fatalities increased in Utah in 2016 to the highest number in the past nine years with 280 deaths. Thirty-nine of these were pedestrian fatalities. In 2017 the South Salt Lake Police Department responded to 32 auto pedestrian accidents, one resulting in a fatality.

It is the goal of the South Salt Lake Police Department’s Traffic Unit to reduce the amount of auto pedestrian accidents and fatalities with education and enforcement activities. We conducted a Pedestrian Crosswalk Sting on Jan. 17 at the Gregson Ave crosswalk on State Street. Officers issued over 40 traffic violations for drivers failing to yield to pedestrians in crosswalks (Utah Code 41-6a-1002). Once a pedestrian steps into the street on their side of the road, drivers are required to stop. I am always shocked to see how many drivers do not stop for a pedestrian in the crosswalk. We hope this sting, and the news stories it generated, make drivers more aware of the rules and risks. We are taking steps with UDOT to investigate making the Gregson crosswalk more noticeable, and are examining all State Street crossings, including intersections through the Life on State project.

We have also begun enforcing Utah Code 41-6a-1009, “Use of the roadway by pedestrians”, which was revised through legislation and released on May 9, 2017. It is important for drivers and pedestrians to know that the common practice of making donations to people standing roadside is illegal, as is any exchange going the opposite direction. The Code prohibits:

d) Conduct that may impede or block traffic includes:

(i) while a pedestrian, accepting, transacting, exchanging, or otherwise taking possession or control of money or property from a person within a motor vehicle while that motor vehicle is within an area described in Subsection (4)(a); or

(ii) while a driver or passenger of a motor vehicle within an area described in Subsection (4)(a), accepting, transacting, exchanging, or otherwise taking possession or control of money or property from a pedestrian.”

As our city grows, we all need to become better drivers, pedestrians and cyclists. The first step for drivers is to slow down and leave a large space cushion when pedestrians are on or near the street. Pedestrians can make errors in judgment, and sometimes surprise us by being slower than we expect or taking a pause. And please, don’t text and drive – the road needs your attention. Help us aim for zero fatalities in our city. Thank you!

Police Chief Jack Carruth

South Salt Lake Fire Department:

75 Years of Service

2018 marks 75 years of service for the South Salt Lake Fire Department. As a department we are humbled by the support we have received over the past 75 years. Seen here is our 75 year commemorative badge, you will see the firefighters wearing this badge all year long!

Each year our department is setting new standards and striving to better the service for our residents. 2017 marked the busiest year in department history. As more developments come into the city we expect to see this trend continue. We as a Department will continue to train hard and work harder to bring the best and most professional service to our citizens. Thank you for the opportunity to serve.
Welcome New Interfaith Council

The SSL Interfaith Council was created to foster cooperation and communication amongst our local faith-based communities in order to better serve SSL residents. We are a diverse group of faiths working together in the spirit of service, unity, and collaboration to ensure that every resident of South Salt Lake feels a sense of belonging, every resident of South Salt Lake has the opportunity to be on the pathway to self-reliance, and every South Salt Lake youth can read on grade level.

The council directs community members to information, partnerships, resources, and services that can help them with employment, education, commodities, and more. The SSL Interfaith Council includes leaders and members from churches and religious organizations from around the city, including: Center for Spiritual Living, K2 Church, Victory Outreach, LDS Church – Granite Park Stake, South Salt Lake Stake, St. Ann’s Catholic Church, and Centenary Methodist Church. We also work alongside Promise South Salt Lake, the City of South Salt Lake, and United Way of Salt Lake to make our community efforts even more effective.

Leaders from churches and religious organizations within the city of South Salt Lake are encouraged to join the Interfaith Council. Meetings are held on the last Wednesday of each month at noon (lunch is served). For more information about joining the council, please contact the Interfaith Council Chair, Lauren Levorsen at 385-630-9753 or llevorsen@sslc.com.

Connect Care Kiosk

Do you have a cold? Sore throat? Back pain? Allergies? Wish your doctor’s office was closer and more convenient to visit? South Salt Lake has recently introduced an easy solution for your health care needs! The Intermountain Connect Care Kiosk helps patients receive the health care that they need in a quick and easy format. Come to the Columbus Center and meet face-to-face (through video format) with a doctor who can prescribe medications right to your pharmacy, no appointment needed! It’s quick, easy, and convenient for your urgent medical needs.

Frequently Asked Questions:

What does the kiosk do? The Connect Care Kiosk will connect you (in just a few minutes) with a doctor over video chat. With the tools available at the kiosk, you can check your own temperature, blood pressure, weight, and heart rate. There are also tools available to help the doctor see inside of your ear, throat, and surface of your skin. During your appointment, patients will meet with the doctor and receive prescriptions sent to the pharmacy most convenient to you.

Where is the kiosk located? The Columbus Center (2531 S 500 E, SSL). Look for the hallway across from the Columbus Library.

What kinds of things can I come in for? You can be seen for any of the following symptoms:
- Runny Nose
- Sore Throat
- Allergies
- Sinus Pain or Pressure
- Eye Infection
- Ear Pain
- Cough
- Urinary Pain
- Lower Back Pain
- Minor Burns, Rashes, and Skin Infections

How much does it cost? Do I need insurance? The Kiosk is very low cost. For those with no insurance, your total will be $49. With insurance, it will cost as much as your copay to see your regular provider. With Medicaid or Medicare, it is $3.

How do I pay? There is a credit card slot right on the front of the machine. Financial assistance through Intermountain Healthcare is available for those in need. Our staff will help you to get started with financial assistance, if needed.

Can I bring my child? Yes! Children can be treated through the kiosk.

What if I don’t speak English? Are there translation services available? Absolutely! Globo, our translation service partner, provides translation for over 30 languages, including Spanish, Portuguese, Mandarin, Somali, Burmese, Nepali, Swahili, Karen, and many more! Our staff will set you up with a translator, as needed.
South Salt Lake CONSTRUCTION UPDATE

Reported by: Bill Knowles, Community Ombudsman, South Salt Lake
Contact for questions/concerns: 801-580-2626; knowles.bill@att.net

The Zeller (former Zellerbach Property (300-400 E.))
Contractor: Jacobson Construction
Project description: 292 units
Estimated completion date: Mid-June 2018

Current status/activity: Building A, on the west end nearing substantial completion and is expected to be ready for occupancy by mid-February, 2018. The parking garage is also substantially complete and Building B is now well underway as is Building C at the east end of the property. The project remains on target for scheduled completion date of mid-June 2018. The streetcar line will be getting a second track and second station for this block, triggering a redesign of the plaza on the building’s corner.

Ritz Classic Apartment Homes (former Ritz Bowling)
Developer: Weidner
Project description: 287 units
Estimated completion date: Spring 2019

Current status/activity: Construction in full swing. Foundations are in place and structural work underway. The parking garage structure is complete, and the elevator shaft serving the five story building is in place. Underground gas tanks were removed, leading to work on the new landscaped entryway from State Street. Framing for the apartment units above the garage is now underway. The project remains on schedule.

Liberty Crossing (2200 S, between State and Main)
Developer: Cowboy Partners
Project description: 95 townhouse units
Estimated completion date: Spring 2019

Current status/activity: This project is cleared for a building permit. Construction is expected by early spring 2018.

Former Hi-Grade Meat Plant, at Utopia & West Temple
Project owner: LD Investments
Project description: 100 Apartment units
Est. completion date: Spring 2019

Current status/activity: Under construction

Remember When…

Bonnie and Woody White built Bonwood Bowl in 1957. Woody was an attorney who saw the opportunity in the bowling craze and built the bowling alley at 2500 S. Main Street with his brother Verdi as an investment. They didn’t expect it to take off as well as it did, and soon, they expanded from 18 lanes to 28 and then to the 42 lanes it has today. It became a family business where many of the extended family work and still do today. Things have changed a bit - the smoking lounge and daycare are gone, but the pro shop, cafe and lounge are still going strong. Serious bowlers come to Bonwood and it is packed with league play on weekdays. In the past few years, bowling has boomed again and recreational players have made Bonwood a hopping spot on weekends, too.
Featured Artist: Keith Beard

Working out of Miri Gallery in South Salt Lake City, Keith has focused his work on the use of mixed media, sculpture, and performance art as his cup of tea. His work gravitates to the whimsical and dark visuals as part of his visual vocabulary. Not sure what the subconscious is saying. His process begins by allowing himself to be vulnerable to the unknown. Exploring the material’s potential without having preconceived notions about what it is going to become. Bending, cutting, melting, sewing, drawing, ink splatters, or creating abstract gestures creates a starting point. From this point the creativity kicks in and he can start defining the final outcome. The mask, costume, and sculptures make the ideas from sketches become real and tangible. Art gives Keith the ability to examine his own fears of not becoming or meeting his full potential in this life. An additional adventure he is working on is the production of Art with Kee Kee on YouTube.

Youth Coed Baseball

Age: 7-8 Machine Pitch Wed & Sat
Age: 9-10 Minors Tues & Fri
Age: 11-12 Majors Mon & Thurs
Games: April 2 – June 2
Home Field: Central Park 2797 S. 200 E.
Traveling Teams: must provide transportation
Fee: $25 SSL Resident or $30 Non-resident
Deadline: March 9

Volleyball ‘Rec’ Club Style

Grades: 5-12
Games: March – May Wed & Thurs
Time: 5:00 – 6:45 p.m.
SSL Recreation 2531 S. 400 E.
Fee: $25 per player
Deadline: March 2
Register at the Recreation Office
2531 S. 400 E. SSL, UT 84115
Office hours: M-F 8:30 a.m. - 5:00 p.m.
