

City of South Salt Lake Fire Department "Open Burning" Rules and Regulations

1. Except for approved designated recreational fires, open burning **is not allowed** within the City limits of South Salt Lake. City Ord. 13. 72. 040 and IFC 307.1.1
2. Extinguishment authority is the decision of the fire officer who responds to a complaint. If the fire adds to a hazardous situation the fire officer is authorized to order the fire extinguished. IFC 307.3
3. A portable outdoor fireplace cannot be used within 15 feet of a structure. IFC 307.4.3
4. Open flame cooking devices cannot be used within 10 feet of a structure or on balconies, except where buildings, balconies and decks are protected by an automatic sprinkler system. IFC 308.1.4
5. Bonfires are not allowed. City Ord. 13. 72. 040
6. Recreational fires must be 25 ft. from a structure, with the pile size to be 3 ft. or less in diameter and 2 ft. or less in height. IFC 307.4
7. Trash consisting of moist or green vegetation or other objectionable materials causing unwanted smoke are not allowed to be burned. Burn barrels, trash, tires, wire insulation, etc. are not allowed to be burned. City Ord. 13. 72. 040
8. When a legal recreational fire is allowed, the fire shall be constantly attended until the fire is extinguished. A means of "Fire extinguishment" such as a hose, shovel or portable fire extinguisher shall be readily available and on-site. IFC 307.5

For more information please call Fire Station 41 at 801-483-6043

Open burning at any construction site is prohibited. During winter conditions, small fires necessary to prevent water from freezing for masonry operations are allowed. Nuisance type fires will be extinguished immediately. IFC 3304.2
