November is the perfect time for giving thanks. We celebrated our city turning 80 years old this year and haven’t forgotten those who laid the foundation for this milestone. We are now into three or four generations of city employees dedicating their skills and hard work to this community. We are all united by one purpose – to serve a deserving community.

As our city’s boundaries and population have grown, we have, too. And, we have also deepened our commitment to making South Salt Lake the best it can be. We have grown to 237 full-time and 146 part-time public servants. Many of our new employees are in the Promise SSL department, helping youth and families to better their education and job skills. 95% of this program is funded by grants and partners who have caught our shared vision for success and can think of no better place to invest than in our City. We have also grown our Police, Fire, Public works and Recreation departments to help make our community safer and healthier.

Our employees are empowered to bring new and better ways to achieve our goals, working with our community. Those who work in our City care for the community and its continued progress. Some grew up here, some now reside here and they all call SSL their community.

A few highlights from 2018 include:

- 200 residents, employees and volunteers from jetBlue working together to fundraise and build the KaBOOM! Playground at Lions Park
- Fire department employees identifying a need to address fire prevention and evacuation plans with our elderly residents and implementing these plans at the Columbus Senior Center
- Justice Court judge and employees hosting a Mock Trial at City Hall for Granite Park Junior High students
- An employee who noticed a stranded vehicle blocking traffic filled a gas can with their own money to get the resident and all the traffic around them unstuck
- Promise Family Liaison team members volunteer on their days off to assist residents with immigration paperwork to help them on a path to success
- The Police Athletics League (PAL), the PAL Boxing Team’s and Salt Lake Institute of Culinary Education will be sharing donations of Thanksgiving meals and daily necessities to those in need
- Employees, local businesses and residents generously support the Sub for Santa and Angel Tree – 71 families and 378 individuals received holiday gifts and necessities last December

It is an honor to serve this community, I wish to say thank you to our employees for their commitment to South Salt Lake. To our resident and business community thank you for staying engaged with your municipal government. In our 80 years together, we have built a truly incredible city.
RockStar – Arturo Quintero

Arturo has been with the fleet division for over 8 years. He is a veteran journeyman mechanic and has earned all available ASE certifications for Automotive Service Excellence. The Public Assets Team benefits from his technical skill set as a Journey Mechanic II. In the past few years he has taken on our parts management system. Arturo is always a welcome face to anyone in need and handles every job with professionalism and detail. Arturo, thank you for your dedication to SSL and keeping us On The Move. You are a Rock Star!

Important Changes to Recycling

The recycling industry is facing some challenges. As you may have heard in the news, China has implemented dramatic changes to their import policies. In order to ensure the most material gets recycled, we must eliminate plastic bags and bagged recyclables. Grocery sacks and stretchy plastic jams the machinery at sorting facilities, toss your recyclables into the bin loose.

Additionally, food waste causes paper and cardboard to rot and be unusable. Please rinse and dry food containers so it doesn’t spoil the whole batch. Lastly, curbside recycling cannot accept shredded paper. For questions contact Utilities at 801-438-6000 or recycle@acedisposal.com

Leaf Bags

South Salt Lake residents can participate in an annual leaf bag collection program. Each fall season, five leaf bags are supplied to residents at no cost. Bags can be picked up at the Public Works building located at 195 W Oakland Ave beginning in October. Residents must show a valid ID with a South Salt Lake address in order to obtain city provided leaf bags. The leaf bags will be picked up curbside through the end of November.

FALL CLEAN-UP:

NOVEMBER 5-16

Boxed, Bundled and Bagged Curbside Cleanup

The citywide cleanup program is available to all South Salt Lake residents who currently receive City garbage service. Curbside pickup will be provided for approved items that are boxed, bundled or bagged. The intent of this program is to reduce pollution in our streams, rivers and lakes and will keep our city clean. When utilizing curbside collection, residents are reminded that hazardous materials such as oil, batteries, paint, tires and other pollutants will not be collected. Ace Recycling and Disposal, the city’s garbage and recycling contractor, will be collecting bulky waste items during the first two weeks of November. Properly prepared items must be placed on the curb by 6:30 a.m. on the scheduled collection day. The pickup schedule will be delivered to your home in advance.

Package Thefts Increase during Holidays

As the holiday season approaches, the South Salt Lake Police Department (SSLPD) will remain vigilant for package thefts and offer advice to avoid becoming a victim of the crime. The police department has been taking a number of steps to prevent package thefts year round and will continue to do so during the holiday season. Uniformed and plain clothes officers have been conducting package theft stings throughout the City and we plan to increase our efforts this season. It is no surprise that thieves typically see UPS or FedEx trucks delivering packages as opportunities and will target package deliveries by following the trucks. Many delivery services provide training to their employees on how to spot suspicious vehicles and “package pirates”, but this isn’t always enough to protect you from being a victim.

The South Salt Lake Police Department offers these tips to help you avoid being a victim to package thefts:

- Request a drop-off time when you will be home, use a tracking number and request that your package delivery require a recipient signature.
- If you have a home security system, prominently display your home security system.
- Utilize email or text notifications regarding the status of your delivery. Consider purchasing a locking parcel delivery box that can be secured.
- Consider in-store delivery or have packages delivered to a reputable package pickup business location.
- If permissible, have your packages delivered to your workplace.

Additionally, if your packages do not arrive as scheduled, contact the sender as soon as possible to determine if there is a delay in the delivery. The SSLPD is also asking for your help. Please contact us at 801-840-4000 to report any incidents of theft or other suspicious behavior.

Thanksgiving Fire Safety

Keeping fire safety top of mind in the kitchen during this joyous but hectic time is important, especially when there’s a lot of activity and people at home. As you start preparing your holiday schedule and organizing that large family feast, remember, by following a few simple safety tips you can enjoy time with your loved ones and keep yourself and your family safe from fire.

SAFETY TIPS

- Stay in the kitchen when you are cooking on the stovetop.
- Stay in the home when cooking your turkey and check it frequently.
- Keep children 3 feet away from the stove.
- Make sure kids stay away from hot food and liquids.
- Keep the floor clear so you don’t trip over kids, toys or bags.
- Keep knives out of the reach of children.
- Be sure electric cords from an electric knife, coffee maker, plate warmer or mixer are not dangling off the counter.
- Keep matches and utility lighters out of the reach of children.
- Never leave children alone in room with a lit candle.
- Make sure your smoke alarms are working.

Coffee with a Cop is part of a national initiative to create a place for community members and police officers to come together. The SSL Chamber supports the program to help businesses increase their involvement in the community’s safety. The event takes place on the first Wednesday of each month from 9-10 a.m. This month will be at Bjorn’s Brew 2165 S State on Wednesday, Nov. 7.

- Under Construction
- Penney Ave
  Work on Penney Avenue is substantially complete. There are a few minor items the contractor will be completing over the next few weeks.
- Parleys Trail - Main to West Temple
  A one-block segment of Parley's Trail will be built in the S-Line streetcar corridor, in the style similar to the sections east of State Street. It will include a 12' wide concrete trail, lighting and smooth transitions to street crossings at Main Street and West Temple. This is funded with a federal TIGER grant to improve first-last mile connections to transit, plus additional funding from Salt Lake County’s Active Transportation program.
- Lions Park
  The west section of the park has a new irrigation system to replace the outdated system and adjust to the new playground. Concrete paths are also being added for better accessibility to the pavilion and playground.

  The west section of the park has a new irrigation system to replace the outdated system and adjust to the new playground. Concrete paths are also being added for better accessibility to the pavilion and playground.

- Streetcar Double Track
  The S-Line Streetcar corridor is getting a second track parallel to the first between 300 East and 500 East. This increases train frequency, reducing the time between trains from 20 minutes to 15 minutes. This is expecting to attract 870 new daily passengers. Construction is expected to be complete in January 2019. More information can be found at www.rideuta.com.
- Sunset Avenue Pavement Reconstruction
  Work is currently underway. New curb and gutter has been placed and the contractor will be paving in the next few weeks. The project will be completed this fall.
- 2700 South and Main Street Bike Lanes
  Roadway improvements and bike lane striping will be completed in the 2018 Construction season. 2700 will change between 300 West and 500 East to two lanes plus a center turn lane and bike lanes. Main Street will be upgraded between 3300 to 3900 South and include striping for bike lanes.

SNOW REMOVAL

Please remember when removing snow or ice from sidewalks, driveways and parking lots, snow cannot be placed in the roadway, sidewalk or gutter. We appreciate you helping keep our sidewalks and roadways clear and safer for all.

NOT this

Move snow from driveways into the road or right-of-way. It's illegal to push snow into or across roadways and rights-of-way. This can create a hazard for people traveling the road, such as drivers, bikers and snow removal equipment operators, and can create liability issues for the property owner.

DO this

1. Move snow from your driveway onto your property. Standing facing the road, move snow over to the right side of your driveway.

2. And clear the area by the road on the left side of your driveway. This gives plows a place to unload snow and helps reduce the chance of a snow bank being created across your driveway.

Creative Arts for Life presents the next class in our series of art instruction for seniors and adults:

### Mandala Glazed Tiles

**with artist April Norby from Bad Dog Arts**

- **Tuesdays**
  - 7:00 - 9:00 pm
- **November 6, 13, 20 & 27**
- **Historic Scott School Great Hall**
  - 3280 S 5400 East, South Salt Lake

Mandalas are circular designs with repeating colors, shapes and patterns radiating from the center. Explore the art of creating a mandala design onto a tile using ceramic glaze. Both of these art forms can be very relaxing and meditative. No experience necessary. Tiles will be fired and ready for pick up one week following the last class.

**Examples of Student Work**

Creative Arts for Life classes are free to SSL residents and Senior Center clients. $40 for all others. Supplies included. Registration is required by calling 801-412-3217 or emailing jhedin@sslc.com. Visit sslarts.org for more info.

**South Salt Lake Angel Tree**

The holidays are just around the corner and the Youth City Council is once again hosting the City’s Angel Tree. As always, we are hoping to make the holiday season a special time for South Salt Lake youth and families. If you would like to make a donation of any amount, please make checks payable to City of South Salt Lake, and mail to: Angel Tree, 220 East Morris Ave Ste. 200, South Salt Lake City, UT 84115. Even a small amount can make a difference. We ask that all monetary donations reach us by Dec. 10.

You can also visit our Angel Tree on the second floor of City Hall in late November and early December and take an ornament with the need of a local child. We ask that gifts be dropped off by Dec. 14 to the Promise South Salt Lake Office on the 3rd floor of City Hall. Thank you for your support in making the holidays extra special for our youth and families! Questions? Contact Edward Lopez: elopez@sslc.com or 801-455-1729.

**Promise All-Stars Shine at Break-Thru Tournament**

Break-Thru Sports has done amazing things in South Salt Lake! BreakThru worked with Promise South Salt Lake and the City’s Recreation Department to put on the Annual Fall Soccer Tournament, which this year included “All-Star” games. Nearly 250 youth attended the soccer event, where they participated in soccer drills and activities, met fellow soccer enthusiasts, and had a blast while learning new skills! Attendees were from all over the valley, and the All-Star teams was made up of players from Promise’s collaborative summer soccer league in addition to BreakThru teams from the Sunnyvale Neighborhood Center, Bud Bailey Apartments, Glendale Community Learning Center, and more.

Promise’s All-Star elementary-age team, which included players from Lincoln Elementary, Woodrow Wilson Elementary, the Central Park Community Center, and the Hser Ner Moo Community and Welcome Center, came away with a 4-0 victory. Special shout out to our amazing volunteer coaches, Gabriel Diaz and Aaron Bono, who gave their time and energy to helping the kids prepare for the big game. South Salt Lake appreciates all the partners and volunteers who came together to run this event, especially the local National Charity League chapter which provided many adult and youth volunteers, Traeger Grills and another local vendor who offered delicious hot dogs and some Somali cultural cuisine for the hardworking players.

**STEM Center in New Space**

Meadowbrook STEM Center has relocated on the Salt Lake Community College (SSLC) Meadowbrook Campus to Building C, rooms 101 and 103. This building is now dedicated to afterschool programming. The Promise SSL teen and elementary program will occupy this space for the 2018/19 school year. The STEM Center relocated to the Utah Refugee Education and Training Center (URETC) a little over two years ago. These new dedicated rooms provide the ability to store and leave supplies and to decorate and display works on the walls. The youth have settled into their new environment and enjoy having learning materials posted and seeing their creations on display. These rooms offer excellent access to restrooms and parking, providing convenient access for drop off and pickup of youth. This space is conducive to learning an enabling us to run quality programming. Promise South Salt Lake appreciates our partners at Department of Workforce Services and SLCC who make this facility possible. Information on the URETC and programming can be found at: jobs.utah.gov/refugee/center/

The Promise programing at the STEM Center runs from 3-6 p.m. Monday-Thursday and from 2-5 p.m. on Friday. Programs are free of charge for any youth in SSL K-12. Contact Joseph Genda, Promise Center Coordinator, 801-518-5502 or jgenda@sslc.com to enroll.

**SSL PAL Thanksgiving Service Project**

On Tuesday, November 20, 2018, youth from the South Salt Lake Police Athletic/Activities League (PAL) are joining with the South Salt Lake Police & Fire Departments and the Salt Lake Institute of Culinary Education to prepare and deliver raw ingredient Thanksgiving dinner kits for families in need in South Salt Lake. They will also be preparing and delivering hot dinners for a handful of other local families.

**We need your help!**

We are in need of donations of food and supplies for our kits. We will be feeding roughly 50 families, and need donations of:

- Seasoned stuffing croutons
- Chicken stock (quart boxes)
- Canned/bottled gravy
- Butter
- Oudons
- Celery
- Canned corn (15 oz cans)
- Canned yams (29 oz cans)
- Brown sugar
- Bags of potatoes
- Cranberry sauce
- Rolls of aluminum foil
- Foil roasting pans (disposable)

To make a donation of food, or to donate money for the project, contact:
Jerry Silva 801-412-3850
Villa Van Tonder 801-440-1161
