# **SOUTH SALT LAKE FIRE DEPARTMENT NOTICE OF PRIVACY PRACTICES** (effective June 1, 2020)

**Important:** This notice describes how medical information about you may be used and disclosed and how you can get access to this information. **Please review it carefully.**

The South Salt Lake Fire Department is committed to maintaining the privacy of your Protected Health Information or PHI as required by law. This Notice of Privacy Practices outlines that commitment by informing you of your rights and our responsibilities. Should you have any questions about this notice please contact our Department Privacy Officer, Emily Samuel at (801) 483-6043.

## **Your Rights**

This section explains your rights and some of our responsibilities to help you.

### **Get an electronic or paper copy of your medical record**

You can ask to see or get an electronic or paper copy of your medical record and other health information we have about you. Ask us how to do this. We will provide a copy or a summary of your health information, usually within 30 days of your request. We may charge a reasonable, cost-based fee.

### **Ask us to correct your medical record**

You can ask us to correct health information about you that you think is incorrect or incomplete. Ask us how to do this. We may say “no” to your request, but we’ll tell you why in writing within 60 days.

### **Request confidential communications**

You can ask us to contact you in a specific way (for example, home or office phone) or to send mail to a different address. We will say “yes” to all reasonable requests.

### **Ask us to limit what we use or share**

You can ask us not to use or share certain health information for treatment, payment, or our operations. We are not required to agree to your request, and we may say “no” if it would affect your care. If you pay for a service or health care item out-of-pocket in full, you can ask us not to share that information for the purpose of payment or our operations with your health insurer. We will say “yes” unless a law requires us to share that information.

### **Get a list of those with whom we’ve shared information**

You can ask for a list (accounting) of the times we’ve shared your health information for six years prior to the date you ask, who we shared it with, and why. We will include all the disclosures except for those about treatment, payment, and health care operations, and certain other disclosures (such as any you asked us to make). We’ll provide one accounting a year for free but will charge a reasonable, cost-based fee if you ask for another one within 12 months.
